JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

TWENTY-FIFTH DAY, TUESDAY, FEBRUARY 14, 2017

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

The Lord is my light and my salvation; whom shall I fear? (Psalm 27:1)

O Loving God, in a world filled with the noise of those who put their energy in hatred and whose loudness would drown out the efforts of those who seek the path of happiness for all men and women, we pray to be kept loving in a world of doubt and fear.

Grant to us a vision of Your greatness and an experience of Your love that we may lead our people in the healthy paths of joy and peace on this St. Valentine's Day.

Help us to meet this opportunity with courage, to do our most challenging duties with undying devotion and to practice what we profess lest our campaign promises be proven impractical and false.

Give to our citizens and our military the insight and inspiration to lead our beloved Show-Me State in making the will of the People the highest law.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the twenty-fourth day was approved as printed.

2. A count charging any offense of homicide of a particular individual may be joined in an indictment or information and tried with one or more counts charging alternatively any other homicide or offense other than a homicide committed against that individual. ~~[565.030. 1. Where murder in the first degree is charged but not submitted or where the state waives the death penalty, the submission to the trier and all subsequent proceedings in the case shall proceed as in all other criminal cases.—~~

~~2. Where murder in the first degree is submitted to the trier without a waiver of the death penalty, the trial shall proceed in two stages before the same trier. At the first stage the trier shall decide only whether the defendant is guilty or not guilty of any submitted offense. The issue of punishment shall not be submitted to the trier at the first stage. If an offense is charged other than murder in the first degree in a count together with a count of murder in the first degree, the trial judge shall assess punishment on any such offense according to law, after the defendant is found guilty of such offense and after he finds the defendant to be a prior offender pursuant to chapter 558.—~~

~~3. If murder in the first degree is submitted and the death penalty was not waived but the trier finds the defendant guilty of a lesser homicide, a second stage of the trial shall proceed as in all other criminal cases. The attorneys may then argue as in other criminal cases the issue of punishment, after which the trier shall assess and declare the punishment as in all other criminal cases.—~~

~~4. If the trier at the first stage of a trial where the death penalty was not waived finds the defendant guilty of murder in the first degree, a second stage of the trial shall proceed at which the only issue shall be the punishment to be assessed and declared.— Evidence in aggravation and mitigation of punishment, including but not limited to evidence supporting any of the aggravating or mitigating circumstances listed in subsection 2 or 3 of section 565.032, may be presented subject to the rules of evidence at criminal trials.— Such evidence may include, within the discretion of the court, evidence concerning the murder victim and the impact of the offense upon the family of the victim and others.— Rebuttal and surrebuttal evidence may be presented. The state shall be the first to proceed.— If the trier is a jury it shall be instructed on the law. The attorneys may then argue the issue of punishment to the jury, and the state shall have the right to open and close the argument.— The trier shall assess and declare the punishment at life imprisonment without eligibility for probation, parole, or release except by act of the governor:—~~

~~(1) If the trier finds by a preponderance of the evidence that the defendant is intellectually disabled; or—~~

~~(3) If the trier concludes that there is evidence in mitigation of punishment, including but not limited to evidence supporting the statutory mitigating circumstances listed in subsection 3 of section 565.032, which is sufficient to outweigh the evidence in aggravation of punishment found by the trier; or—~~

~~(4) If the trier decides under all of the circumstances not to assess and declare the punishment at death.— If the trier is a jury it shall be so instructed.—~~

~~If the trier assesses and declares the punishment at death it shall, in its findings or verdict, set out in writing the aggravating circumstance or circumstances listed in subsection 2 of section 565.032 which it found beyond a reasonable doubt. If the trier is a jury it shall be instructed before the case is submitted that if it is unable to decide or agree upon the punishment the court shall assess and declare the punishment at life imprisonment without eligibility for probation, parole, or release except by act of the governor or death.— The court shall follow the same procedure as set out in this section whenever it is required to determine punishment for murder in the first degree.—~~

5. JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

TWENTY-SIXTH DAY, WEDNESDAY, FEBRUARY 15, 2017

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Let us hold fast the profession of our faith without wavering. (Hebrews 10:23)

Most Merciful God, who made us in Your likeness so that our hearts are restless until they find rest in You, in this moment of prayer we renew our faith, we reaffirm the fact that You are with us, and we reinforce our desire to be of real service to our State and to all our constituents.

May the splendor of Your spirit and the strength of Your presence be revealed to us and through us, particularly when we are tempted by the moods of frustration and anger and feel that all our endeavors are in vain.

Bless the leaders of our State, these men and women of our House of Representatives and all who labor with them, to creatively meet the demands of this day. May their faith in You hold them up, keep them strong, and help them guide all citizens to peace, justice and hope.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the twenty-fifth day was approved as printed by the following vote:

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

As we have opportunity, let us do good unto all men. (Galatians 6:10)

Almighty God Eternal, we pause in Your presence, uniting our hearts in prayer unto You. Fill us with the power of Your spirit that we may do our duties and carry our responsibilities with patient confidence, persistent courage, and perpetual hope.

As we seek cooperation among all our Representatives of this state in an effort to bring jobs and opportunity to every man and woman, may Your truth be in our minds and Your love in our hearts.

MESSAGES FROM THE GOVERNOR

The following proclamation was received from His Excellency, Governor Eric R. Greitens:

PROCLAMATION

WHEREAS, Article IV, Section 27, authorizes the Governor to control the rate at which any appropriation is expended by allotment and, further, authorizes the Governor to reduce the expenditures of the state or any of its agencies below their appropriations whenever the actual revenues are less than the revenue estimates upon which the appropriations were based; and

WHEREAS, in addition to the power to control the rate of expenditures established in Article IV, Section 27, three percent of each appropriation, with the exception of amounts for personal service to pay salaries fixed by law, shall be set aside pursuant to section 33.290, RSMo, as a reserve fund and not subject to expenditure except with the approval of the Governor; and

WHEREAS, Article IV, Section 27.2, provides that the Governor notify the General Assembly “whenever the rate at which any appropriation shall be expended is not equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation”; and

WHEREAS, due to a variety of factors, including the three percent reserve that is legally required by section 33.290, RSMo, the rate at which most appropriations are expended is not in “equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation”; and

WHEREAS, Article IV, Section 27.3, provides that the Governor notify the General Assembly “when the governor reduces one or more items or portions of items of appropriation of money as a result of actual revenues being less than the revenue estimates upon which the appropriations were based.”

NOW, THEREFORE, I, Eric R. Greitens, GOVERNOR OF THE STATE OF MISSOURI, pursuant to Article IV, Section 27, do hereby make the following notification to the Ninety-Ninth General Assembly of the State of Missouri:

I hereby notify the General Assembly, pursuant to Article IV, Section 27.2 of the Missouri Constitution, that, through the second quarter of fiscal year 2017, the rate of expenditure for each of the appropriation lines in the fiscal year 2017 budget attached as Exhibit A is not in equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation.

I further notify the General Assembly, pursuant to Article IV, Section 27.3 of the Missouri Constitution, that, in the third quarter of fiscal year 2017, I have taken action to permanently reduce the appropriation lines in the fiscal year 2017 budget attached as Exhibit B as a result of actual revenues being less than the revenue estimates upon which the appropriations were based in the fiscal year 2017 budget.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Missouri, in the City of Jefferson, on this 8th day of February, 2017.

JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

TWENTY-NINTH DAY, TUESDAY, FEBRUARY 21, 2017

The House met pursuant to adjournment.

Speaker Pro Tem Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Where two or three are gathered together in My name, there am I in the midst of them. (Matthew 18:20)

Almighty and All Present God, at this sacred hour we bow and pray that You will touch our spirits and transform our souls by Your grace that we may have strength for the day, courage with each hour, and peace in every moment.

Ignite within us the fire of Your spirit and warm our hearts with the power of Your presence that in the time of decision we may be equal to every experience, ready for every responsibility, and adequate for every task.

Grant that we may see Your way more clearly during Black History Month and be given wisdom to work with You in making our State a better place in which Your children can live together in abundant happiness, in abounding harmony, and in abiding hope in the Show-Me State.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the twenty-eighth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

THIRTIETH DAY, WEDNESDAY, FEBRUARY 22, 2017

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Ask, and it shall be given; seek, and ye shall find; knock, and it shall be opened unto you. (Matthew 7:7)

All loving God, emerge within us as we bow at the altar of prayer and lift our hearts into Your presence. In this hour lead us beside the still waters, where our souls can be restored and our patience renewed. In the quiet of this moment help us to hear Your still, small voice and hearing it, obey it; and obeying it, be led in right paths for Your name's sake.

Direct and bless all members of our House of Representatives and their staffs that, in seeking to find solutions for the problems of this hour and endeavoring to discover a cure for the problems of our day, they first cleanse their own hearts and then may they see clearly with understanding to plan wisely and to move forward to the time when our people shall live together in good will and all political parties shall dwell together in peace.

O God, make us good enough for that great day.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Jacob Allen Schelp, Joshua Aaron Fogle, Timothy Randolph Fogle, and Emily Shaw.

The Journal of the twenty-ninth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

THIRTY-FIRST DAY, THURSDAY, FEBRUARY 23, 2017

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

The Lord is good; His mercy is everlasting; and His truth endureth to all generations. (Psalm 100:5)

O Lord of heaven and earth, whose love lives forever and whose truth endures through all generations, hear us as we pray, lifting our hearts unto You.

You have called us to live together as brothers and sisters and have taught us that we belong to each other. Bless all endeavors leading toward unity in our State, justice in all towns and cities, and peace in all our hearts.

Let Your spirit so live in all men and women and so move among them that our people and our press will see our projects and desire to seek peaceful means to settle disputes, to maintain order, and to establish justice.

Help us all to learn that peace depends upon understanding love, that law and order must be built upon righteousness and truth, and that justice can live only in the hearts of those of good will.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the thirtieth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

THIRTY-SECOND DAY, MONDAY, FEBRUARY 27, 2017

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Representative Lindell Shumake.

I Kings 3:5-15

Lord, we come to You today in recognition of the great opportunity that You have given us to be servants of the people of the State of Missouri. Furthermore, we recognize that we can only do this effectively by having the wisdom that comes only from You.

King Solomon came to the throne when he was young and inexperienced. He asked the Lord to give him an understanding heart, so he could discern between good and evil. Lord, please give the 99th General Assembly the same ability. Your word teaches us that Solomon received not only great wisdom for Governance but great riches, long life, and a peaceful reign. Help us to lead by example by being the citizens, spouses, parents and legislators that You would have us be.

Remember also those that we came here to represent.

Thank You for Your blessing upon this House, this State, and the United States of America. In Your name we pray.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the thirty-first day was approved as printed.

PERFECTION OF HOUSE BILLS

HB 289, relating to workers' compensation, was taken up by Representative Fitzpatrick.

Representative Roden offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Bill No. 289, Page 2, Section 287.037, Line 32, by inserting after all of said line the following:

"287.067. 1. **(1)** In this chapter the term "occupational disease" is hereby defined to mean, unless a different meaning is clearly indicated by the context, an identifiable disease arising with or without human fault out of and in the course of the employment. Ordinary diseases of life to which the general public is exposed outside of the employment shall not be compensable, except where the diseases follow as an incident of an occupational disease as defined in this section. The disease need not to have been foreseen or expected but after its contraction it must appear to have had its origin in a risk connected with the employment and to have flowed from that source as a rational consequence.

(2) For purposes of this section, "hazardous duty" has the same meaning given to the term under 5 CFR 550.902, as amended.

2. An injury or death by occupational disease is compensable only if the occupational exposure was the prevailing factor in causing both the resulting medical condition and disability. The "prevailing factor" is defined to be the primary factor, in relation to any other factor, causing both the resulting medical condition and disability. Ordinary, gradual deterioration, or progressive degeneration of the body caused by aging or by the normal activities of day-to-day living shall not be compensable.

3. An injury due to repetitive motion is recognized as an occupational disease for purposes of this chapter. An occupational disease due to repetitive motion is compensable only if the occupational exposure was the prevailing factor in causing both the resulting medical condition and disability. The "prevailing factor" is defined to be the primary factor, in relation to any other factor, causing both the resulting medical condition and disability. Ordinary, gradual deterioration, or progressive degeneration of the body caused by aging or by the normal activities of day-to-day living shall not be compensable.

4. "Loss of hearing due to industrial noise" is recognized as an occupational disease for purposes of this chapter and is hereby defined to be a loss of hearing in one or both ears due to prolonged exposure to harmful noise in employment. "Harmful noise" means sound capable of producing occupational deafness.

5. "Radiation disability" is recognized as an occupational disease for purposes of this chapter and is hereby defined to be that disability due to radioactive properties or substances or to Roentgen rays (X-rays) or exposure to ionizing radiation caused by any process involving the use of or direct contact with radium or radioactive properties or substances or the use of or direct exposure to Roentgen rays (X-rays) or ionizing radiation.

6. **(1)** Disease of the lungs or respiratory tract, hypotension, hypertension, or disease of the heart or cardiovascular system, including carcinoma, may be recognized as occupational diseases for the purposes of this chapter and are defined to be disability due to exposure to smoke, gases, carcinogens, inadequate oxygen, of paid **or volunteer** firefighters of a ~~paid~~ fire department or paid police officers of a paid police department certified under chapter 590 if a direct causal relationship is established, or psychological stress of firefighters of a ~~paid~~ fire department or paid peace officers of a police department who are certified under chapter 590 if a direct causal relationship is established.

- (2) (a) Cancer contracted by a firefighter shall be presumed as an occupational disease if:
- a. The firefighter is a paid or volunteer firefighter who has been assigned to at least five years of hazardous duty as a firefighter;
 - b. The firefighter was exposed to an agent classified by the International Agency for Research on Cancer or its successor organization as a group 1 or 2A carcinogen;
 - c. Twenty years have not elapsed since the firefighter was last assigned to hazardous duty as a firefighter; and
 - d. The firefighter is not seventy years of age or older.
- (b) The presumption described in paragraph (a) of this subdivision shall be rebuttable if:
- a. There is evidence that the firefighter's exposure to cigarettes, tobacco products, or other conditions presenting an extremely high risk for the development of the cancer alleged more than likely was a significant factor in the cause of progression of the cancer, and such exposure occurred outside the scope of employment as a firefighter;
 - b. There is evidence that the firefighter was not exposed to an agent classified by the International Agency for Research on Cancer as a group 1 or 2A carcinogen; or
 - c. There is evidence that the firefighter incurred the type of cancer alleged before becoming a member of the fire department.
- (c) Compensation for cancer contracted by a firefighter in the course of hazardous duty under paragraph (a) of this subdivision shall be payable only in the event of temporary total disability, permanent total disability, or death, in accordance with sections 287.170, 287.200, and 287.230.
- (d) This subdivision shall apply to paid and volunteer firefighters of all fire departments of all counties, cities, towns, fire districts, and other political subdivisions.
- (e) This subdivision shall apply only to claims arising on or after August 28, 2017.
7. Any employee who is exposed to and contracts any contagious or communicable disease arising out of and in the course of his or her employment shall be eligible for benefits under this chapter as an occupational disease.
8. With regard to occupational disease due to repetitive motion, if the exposure to the repetitive motion which is found to be the cause of the injury is for a period of less than three months and the evidence demonstrates that the exposure to the repetitive motion with the immediate prior employer was the prevailing factor in causing the injury, the prior employer shall be liable for such occupational disease."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Roden moved that **House Amendment No. 1** be adopted.

Which motion was defeated by the following vote, the ayes and noes having been demanded pursuant to Article III, Section 26 of the Constitution:

JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

THIRTY-THIRD DAY, TUESDAY, FEBRUARY 28, 2017

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

We take courage and say "the Lord is my helper, I will not fear what man shall do unto me." (Hebrews 13:6)

Our God in Heaven, we thank You for this new, warm day fresh from Your hand and pray You will help us to live it well. Cleanse our hearts and clear our minds that we may walk the upward way with You and with our fellow citizens.

Grant that we may always be on the side of justice and peace. In so doing may we seek to make this state a community in which men and women can dwell together safely and securely.

We pray for our country gratefully, for the heritage of faith and freedom which is ours; humbly, that we may prove ourselves worthy of this heritage; and positively, that we may be given wisdom, understanding, and a concern to lead our constituents in the right paths with true faith for the good of all on this Mardi Gras.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Kody Kleeman, Kolton Kleeman, Anita Edmonds, and Benjamin C. Smith.

The Journal of the thirty-second day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

THIRTY-FOURTH DAY, WEDNESDAY, MARCH 1, 2017

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer and remarks by Dr. Andrew Rehfeld, President and CEO of the Jewish Federation of Saint Louis.

Thank you for inviting me to deliver the opening prayer this morning for the Missouri State House of Representatives.

There are of course many prayers that would be appropriate for today given the challenges that we as a state are facing. Perhaps a prayer for peace, or a prayer reminding us of our sacred obligations to care for the less fortunate. Perhaps a prayer to safeguard our communities or in gratitude for the sacred obligation you are each performing in your execution of public service.

I have chosen instead a prayer from which each of these sentiments is, I believe, derived. It is the fourth among the 18 central prayers of the Jewish daily prayer service. It is a prayer for wisdom, knowledge and understanding.

I will say it first in Hebrew as traditional Jews recite it, and then translate it as well.

Atah chonein l'adam da-at, um'la-med le-einosh binah.
Choneinu mei-it'cha choch-mah binah va'da-at.
Baruch atah Adonai, chonein ha-da'at.

And the translation expanded, interpreted for the work you do here every day,

“God, as these men and women of the State of Missouri gather to impose their will upon all of its citizens through the laws that they enact, may they be given the knowledge and understanding necessary for the challenges they face. We ask that You bestow upon them knowledge, making laws based on fact not prejudice. We ask that You provide them the understanding to recognize the complexity of problems they face and to understand that the talents, skills and strategies that brought them to office may not be the ones best suited for making law. And may You provide them the wisdom to continue to do what is right, even when it requires hard choices and sacrifices; sacrifices of themselves, their interests, or the interests of their constituents in order to serve the greater public good.

And let us say, AMEN.”

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Mike Sinamon, Ethan Manke, Elinor Beckwith, Alexander Pantazopoulos, Dylan Stokes, Tyleah McCarter, Matthew Stolze, Leah Scott, T. J. Vanmeter, and Isaiah Scott.

The Journal of the thirty-third day was approved as printed.

JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

THIRTY-FIFTH DAY, THURSDAY, MARCH 2, 2017

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

And thou shalt do that which is right and good in the sight of the Lord, that it may be well with thee. (Deuteronomy 6:18)

Almighty God, the light of all that is true, the life of all that is good, and the love of all that is beautiful, we lift our hearts to You that we may find wisdom, strength, and love sufficient for all our needs, not just our wants.

Help us to walk in the light of truth, to live the life of gladness, and to share the love of the beautiful that we may play our part and do our full duty in this hour of our public life and service.

We pray that Your spirit may enter the hearts of all people, that our state legislature, and all states legislatures, may be free from malice and bitterness and be filled with goodness and hope. To this end and by Your grace, may we do justly, love mercy, and walk humbly with You.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the thirty-fourth day was approved as printed.

JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

THIRTY-SIXTH DAY, MONDAY, MARCH 6, 2017

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Representative Jeanie Lauer.

Dear Lord,

Here we stand to thank You for the abundant blessings You provide to us each day. You provide comfort to us when we are troubled, peace when we have conflicts and strength when we feel weak. Your wisdom and guidance are constantly there for us. We only need to look to You and put our trust in You to carry us through.

Here we stand in humbleness and repentance as we ask for Your forgiveness in all things we have done that are not in Your favor. You not only see our sin but are ready to forgive, as Your Son has already paid the price for all of us. We can rejoice having You in our life and knowing we have salvation in You.

Here we stand as servants to You, to live our daily life as a reflection of Your love. As we serve in this House, let us be mindful of Your will to be done, not that of others or of ourselves.

Here we stand before You in awe of Your glory and grace.

This we pray in the name of the Father, the Son, and the Holy Spirit.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the thirty-fifth day was approved as printed by the following vote:

(7) A person who is a member of the same community of persons as the patient who is bound by vows to a religious life and who conducts or assists in the conducting of religious services and actually and

regularly engages in religious, benevolent, charitable, or educational ministry, or performance of health care services; or

(8) Any other person designated by the unanimous mutual agreement of the persons listed above who is involved in the patient's care.

2. Reasonable efforts include, without limitation, identifying potential designated health care decision-makers as set forth under this section by examining the patient's personal effects and medical records. If a person with potential health care decision-making authority is identified, attempts to contact that person shall be made within a reasonable time consistent with the patient's medical needs after a determination of incapacity. Contact attempts, including name of the person and known telephone numbers and other contact information, shall be documented in the patient's medical record. The health care facility or health care provider shall look to the health care decision-maker highest in priority who is available and willing to act at the time a health care decision shall be made for the patient.

3. Any person or entity interested in the welfare of the patient, including a health care provider or health care facility, who disagrees on whether certain health care should be provided to or withheld or withdrawn from a patient may petition the probate court for an order for the appointment of a temporary or permanent guardian in accordance with chapter 475 to act in the best interests of the patient.

4. A person who is a member of the classes listed under subsection 1 of this section shall not be denied priority under this section based solely upon that person's support for, or direction to provide, withhold or withdraw health care to the patient, subject to the rights of other classes of potential designated decision-makers, a health care provider, or health care facility to petition the probate court for an order for the appointment of a temporary or permanent guardian under chapter 475 to act in the best interests of the patient.

5. Notwithstanding the provisions of subsection 1 of this section, priority under this section shall not be given to persons in any of the following circumstances:

(1) If a health care provider knows the person has been reported under any mandatory reporting statute for abuse or neglect of the patient including, but not limited to, section 192.2475, 198.070, 208.912, 210.115, 565.188, 630.162, or 630.165 or any other mandatory reporting statute and a finding of abuse or neglect has been substantiated. If the health care provider is aware of a report where a finding has not yet been made, such person shall not be given priority until the investigating agency either makes a finding that the allegations are unsubstantiated or, after investigation, closes the case without making a finding; provided that, such a report shall not be based on the person's support for, or direction to provide, health care to the patient;

(2) If the health care provider determines, after making a reasonable effort to contact the designated health care decision-maker using known telephone numbers and other contact information and receiving no response, that such person is unable to be found, not reasonably available, or is unwilling to make health care decisions as needed for the patient;

(3) If a probate court in a proceeding under chapter 475 finds that the involvement of the person in decisions concerning the patient's health care is contrary to instructions that the patient had unambiguously, and without subsequent contradiction or change, expressed before he or she became incapacitated. Such a statement to the patient's physician or other health care provider contemporaneously recorded in the patient's medical record and signed by the patient's physician or other health care provider shall be deemed such an instruction, subject to the ability of a party to a proceeding under chapter 475 to dispute its accuracy, weight, or interpretation; or

(4) If the person is the subject of a protective order or other court order that directs that person to avoid contact with the patient or if such person has been found guilty of abuse under section 565.180, 565.182, or 565.184.

6. (1) The designated health care decision-maker shall make reasonable efforts to obtain information regarding the patient's health care preferences from health care providers, family, friends, or others who may have credible information.

(2) The designated health care decision-maker shall make health care decisions in the patient's best interests, taking into consideration evidence of the patient's known health care preferences and religious and moral beliefs.

7. This section does not authorize the provision or withholding of health care services that the patient has unambiguously at a time when the patient had capacity, without subsequent contradiction or

change of instruction of what he or she would or would not want, expressed either in a valid living will created under sections 459.010 to 459.055 or to the patient's physician or other health care provider. Such a statement to the patient's physician or other health care provider, contemporaneously recorded in the patient's medical record and signed by the patient's physician or other health care provider, shall be deemed such evidence, subject to the ability of a party to a proceeding under chapter 475 to dispute its accuracy, weight, or interpretation.

8. A designated health care decision-maker shall be deemed a personal representative for the purposes of access to and disclosure of private medical information under the Health Insurance Portability and Accountability Act of 1996 (HIPAA), 42 U.S.C. Section 1320d and 45 CFR 160-164.

9. Nothing under sections 404.1100 to 404.1110 shall preclude any person interested in the welfare of a patient including, but not limited to, a designated health care decision-maker, a member of the classes listed under this section regardless of priority, or a health care provider or health care facility involved in the care of the patient, from petitioning the probate court for the appointment of a temporary or permanent guardian for the patient, including expedited adjudication under chapter 475.

10. Pending the final outcome of proceedings initiated under chapter 475, the designated health care decision-maker, health care provider, or health care facility shall not withhold or withdraw or direct the withholding or withdrawal of health care, nutrition, or hydration if withholding or withdrawal, in reasonable medical judgment, would result in or hasten the death of the patient, would jeopardize the health or limb of the patient, or would result in disfigurement or impairment of the patient's faculties. If a health care provider or a health care facility objects to the provision of such health care, nutrition, or hydration on the basis of religious beliefs or sincerely held moral convictions, the provider or facility shall not impede the transfer of the patient to another health care provider or health care facility willing to provide it and shall provide such health care, nutrition, or hydration to the patient pending the completion of the transfer. For purposes of this section, artificially supplied nutrition and hydration may be withheld or withdrawn during the pendency of the guardianship proceeding only if, based on reasonable medical judgment, the patient's physician and a second licensed physician certify that the patient meets the standard set forth under subdivision (2) of subsection 1 of section 404.1105. If tolerated by the patient and adequate to supply the patient's needs for nutrition or hydration, natural feeding should be the preferred method.

404.1105. 1. No designated health care decision-maker may, with the intent of hastening or causing the death of the patient, authorize the withdrawal or withholding of nutrition or hydration supplied through either natural or artificial means. A designated health care decision-maker may authorize the withdrawal or withholding of artificially supplied nutrition and hydration only if the physician and a second licensed physician certify in the patient's medical record, based on reasonable medical judgment, that:

(1) Artificially supplied nutrition or hydration is not necessary for comfort care or the relief of pain and would serve only to prolong artificially the dying process and when death will occur within a short period of time regardless of whether such artificially supplied nutrition or hydration is withheld or withdrawn; or

(2) Artificially supplied nutrition or hydration cannot be physiologically assimilated or tolerated by the patient.

2. When tolerated by the patient and adequate to supply the patient's need for nutrition or hydration, natural feeding should be the preferred method.

404.1106. If any of the individuals specified under section 404.1104 or the designated health care decision-maker or physician believes the patient is no longer incapacitated, the patient's physician shall reexamine the patient and determine in accordance with reasonable medical judgment whether the patient is no longer incapacitated, shall certify the decision and the basis therefor in the patient's medical record, and shall notify the patient with capacity, the designated health care decision-maker, and the person who initiated the redetermination of capacity. Rights of the designated health care decision-maker shall end upon the physician's certification that the patient is no longer incapacitated.

404.1107. 1. No health care provider or health care facility that in good faith makes reasonable efforts to identify, locate, and communicate with potential designated health care decision-makers in accordance with sections 404.1100 to 404.1110 shall be subject to civil or criminal liability or regulatory sanction for the effort to identify, locate, and communicate with such potential designated health care decision-makers.

2. No health care provider or health care facility or employee thereof that makes good faith efforts to comply with the provisions in sections 404.1101 to 404.1110 and acts upon decisions, which are not otherwise unlawful, made by a health care decision-maker shall, as a result thereof, be subject to criminal or civil liability or regulatory sanction.

3. No health care decision-maker acting in accordance with sections 404.1101 to 404.1110 who in good faith makes decisions that are not otherwise unlawful shall not, as a result thereof, be subject to criminal or civil liability.

404.1108. 1. A health care provider or a health care facility may decline to comply with the health care decision of a patient or a designated health care decision-maker if such decision is contrary to the religious beliefs or sincerely held moral convictions of the health care provider or health care facility.

2. If at any time a health care facility or health care provider determines that any known or anticipated health care preferences expressed by the patient to the health care provider or health care facility, or as expressed through the patient's designated health care decision-maker, are contrary to the religious beliefs or sincerely held moral convictions of the health care provider or health care facility, such provider or facility shall promptly inform the patient or the patient's designated health care decision-maker.

3. If a health care provider declines to comply with such health care decision, no health care provider or health care facility shall impede the transfer of the patient to another health care provider or health care facility willing to comply with the health care decision.

4. Nothing in this section shall relieve or exonerate a health care provider or a health care facility from the duty to provide for the health care, care, and comfort of a patient pending transfer under this section. If withholding or withdrawing certain health care would, in reasonable medical judgment, result in or hasten the death of the patient, such health care shall be provided pending completion of the transfer. Notwithstanding any other provision of this section, no such health care shall be denied on the basis of a view that treats extending the life of an elderly, disabled, or terminally ill individual as of lower value than extending the life of an individual who is younger, nondisabled, or not terminally ill, or on the basis of the health care provider's or facility's disagreement with how the patient or individual authorized to act on the patient's behalf values the tradeoff between extending the length of the patient's life and the risk of disability.

404.1109. No health care decision-maker shall withhold or withdraw health care from a pregnant patient, consistent with existing law, as set forth under section 459.025.

404.1110. Nothing under sections 404.1100 to 404.1110 is intended to:

- (1) Be construed as condoning, authorizing, or approving euthanasia or mercy killing; or
- (2) Be construed as permitting any affirmative or deliberate act to end a person's life, except to permit natural death as provided by sections 404.1100 to 404.1110."; and

191.1545. The sale, procurement, or issuance of any life, health, or accident insurance or annuity policy or the rate charged for any policy shall not be conditioned upon or affected by the making or rescinding of a request by a person for medication to end his or her life in a humane and dignified manner. A qualified patient's act of ingesting medication to end his or her life in a humane and dignified manner shall not have an effect upon a life, health, or accident insurance or annuity policy.

191.1548. Nothing in sections 191.1500 to 191.1565 shall be construed to authorize a physician or any other person to end a patient's life by lethal injection, mercy killing, or active euthanasia. Actions taken in accordance with sections 191.1500 to 191.1565 shall not for any purpose constitute suicide, assisted suicide, mercy killing, or homicide under the law.

191.1551. 1. Except as provided in subsection 2 of this section and section 191.1557:

(1) No person shall be subject to civil or criminal liability or professional disciplinary action for participating in good faith compliance with sections 191.1500 to 191.1565, including being present when a qualified patient takes the prescribed medication to end his or her life in a humane and dignified manner;

(2) No professional organization or association or health care provider shall subject a person to censure, discipline, suspension, loss of license, loss of privileges, loss of membership, or other penalty for participating or refusing to participate in good faith compliance with sections 191.1500 to 191.1565;

(3) No request by a patient for or provision by an attending physician of medication in good faith compliance with sections 191.1500 to 191.1565 shall constitute neglect for any purpose of law or provide the sole basis for the appointment of a guardian or conservator; and

(4) No health care provider shall be under any duty, whether by contract, statute, or any other legal requirement to participate in the provision to a qualified patient of medication to end his or her life in a humane and dignified manner. If a health care provider is unable or unwilling to carry out a patient's request under sections 191.1500 to 191.1565 and the patient transfers his or her care to a new health care provider, the prior health care provider shall, upon request, transfer a copy of the patient's relevant medical records to the new health care provider.

2. (1) Notwithstanding any other provision of law, a health care provider may prohibit another health care provider from participating under the Missouri death with dignity act on the premises of the prohibiting provider if the prohibiting provider has notified the health care provider of the prohibiting provider's policy regarding participation in the Missouri death with dignity act. Nothing in this subdivision shall prevent a health care provider from providing health care services to a patient that do not constitute participation in the Missouri death with dignity act.

(2) Notwithstanding the provisions of subsection 1 of this section, a health care provider may subject another health care provider to the following sanctions if the sanctioning health care provider has notified the sanctioning provider prior to participation under sections 191.1500 to 191.1565 that it prohibits participation in the Missouri death with dignity act:

(a) Loss of privileges, loss of membership, or other sanctions provided under the medical staff bylaws, policies, and procedures of the sanctioning health care provider if the sanctioned provider is a member of the sanctioning provider's medical staff and participates under the Missouri death with dignity act while on the health care facility premises of the sanctioning health care provider, but not including the private medical office of a physician or other provider;

(b) Termination of a lease or other property contract or other nonmonetary remedies provided by a lease contract, not including loss or restriction of medical staff privileges or exclusion from a provider panel, if the sanctioned provider participates under the Missouri death with dignity act while on the premises of the sanctioning health care provider or on property that is owned by or under the direct control of the sanctioning health care provider; or

(c) Termination of a contract or other nonmonetary remedies provided by contract if the sanctioned provider participates under the Missouri death with dignity act while acting in the course and scope of the sanctioned provider's capacity as an employee or independent contractor of the sanctioning health care provider. Nothing in this paragraph shall be construed to prevent:

a. A health care provider from participating under the Missouri death with dignity act while acting outside the course and scope of the provider's capacity as an employee or independent contractor; or

b. A patient from contracting with his or her attending physician and consulting physician to act outside the course and scope of the provider's capacity as an employee or independent contractor of the sanctioning health care provider.

(3) A health care provider that imposes sanctions under subdivision (2) of this subsection shall follow all due process and other procedures the sanctioning health care provider may have that are related to the imposition of sanctions on another health care provider.

(4) For the purposes of this subsection, the following terms shall mean:

b. Providing information about the Missouri death with dignity act to a patient upon the request of the patient;

c. Providing a patient, upon the request of the patient, with a referral to another physician; or

d. A patient contracting with his or her attending physician and consulting physician to act outside of the course and scope of the provider's capacity as an employee or independent contractor of the sanctioning health care provider.

3. Suspension or termination of staff membership or privileges under subsection 2 of this section is not reportable to the department or state board of registration for the healing arts. Action taken under sections 191.1506 to 191.1515 shall not be the sole basis for a report of unprofessional conduct.

4. No provision of sections 191.1500 to 191.1565 shall be construed to allow a lower standard of care for patients in the community where the patient is treated or a similar community.

191.1554. 1. A person, who without authorization of the patient, willfully alters or forges a request for medication or conceals or destroys a rescission of that request with the intent or effect of causing the patient's death is guilty of a class A felony.

2. A person who coerces or exerts undue influence on a patient to request medication to end the patient's life or to destroy a rescission of a request is guilty of a class A felony.

3. Nothing in sections 191.1500 to 191.1565 shall limit further liability for civil damages resulting from other negligent conduct or intentional misconduct by any person.

4. The penalties in sections 191.1500 to 191.1565 do not preclude criminal penalties applicable under other law for conduct that is inconsistent with sections 191.1500 to 191.1565.

191.1557. Any governmental entity that incurs costs resulting from a person terminating his or her life under sections 191.1500 to 191.1565 in a public place has a claim against the estate of the person to recover such costs and reasonable attorneys' fees related to enforcing the claim.

191.1560. A request for a medication as authorized by sections 191.1500 to 191.1565 shall be in substantially the following form:

**REQUEST FOR MEDICATION TO END MY LIFE
IN A HUMANE AND DIGNIFIED MANNER**

I,, am an adult of sound mind.

I am suffering from, which my attending physician has determined is a terminal disease and which has been medically confirmed by a consulting physician.

I have been fully informed of my diagnosis, prognosis, the nature of medication to be prescribed and potential associated risks, the expected result, and the feasible alternatives, including comfort care, hospice care, and pain control.

I request that my attending physician prescribe medication that will end my life in a humane and dignified manner.

JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

THIRTY-SEVENTH DAY, TUESDAY, MARCH 7, 2017

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Let us have grace, whereby we may serve God acceptably with reverence and godly fear. (Hebrews 12:28)

O Mighty God, we pause before the altar of prayer to lift our hearts and minds to You, praying for a fresh vision of Your presence, seeking guidance for this day and strength for our votes.

Increase our desire for clear thinking and honest debates. Decrease in us any inclination for deceit and pretense. Stimulate us in our efforts to rise above the lowest level of political life, to choose the hard truths rather than the easy wrongs, to live ever in the light and to serve You with all our might.

Bless the People's House with Your favor. Keep us free; and in our freedoms enable us to foster in the hearts of all people a true love of service, justice and hope for all who live in our state.

Finally, we also pray for all whose lives were disrupted by last night's storms. May God restore their peace of mind as we renew their hopes for the future.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the thirty-sixth day was approved as printed.

(1) **"Extra-contractual damages"**, any amount of damage that exceeds the total available limit of liability insurance for all of a liability insurer's liability insurance policies applicable to a claim for personal injury, bodily injury, or wrongful death;

(2) **"Time-limited demand"**, any offer to settle any claim for personal injury, bodily injury, or wrongful death made by or on behalf of a claimant to a tortfeasor with a liability insurance policy for purposes of settling a claim against such person within the insurer's limit of liability insurance, which by its terms shall be accepted within a specified period of time;

(3) **"Tortfeasor"**, any person claimed to have caused or contributed to cause personal injury, bodily injury, or wrongful death to a claimant.

2. A time-limited demand to settle any claim for personal injury, bodily injury, or wrongful death shall be in writing, shall reference this section, shall be sent certified mail, return receipt requested, to the tortfeasor's liability insurer, and shall contain the following material terms:

(1) **The time period within which the offer shall remain open for acceptance by the tortfeasor's liability insurer, which shall not be less than ninety days from the date such demand is received by the liability insurer;**

(2) **The amount of monetary payment requested;**

4. If a liability insurer with the right to settle on behalf of an insured receives a time-limited demand, such insurer may accept the time-limited demand by providing written acceptance of the material terms outlined in subsection 2 of this section, delivered or postmarked to the claimant or the claimant's representative within the time period set in the time-limited demand.

5. JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

THIRTY-EIGHTH DAY, WEDNESDAY, MARCH 8, 2017

The House met pursuant to adjournment.

Speaker Pro Tem Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Unto Thee, O Lord, do I lift up my soul. (Psalms 25:1)

O Immortal God, who is the truth that keeps us free and the love that makes us holy, give to us the vision to see life as it is, the strength to change the good that we can change for the better, and serenity to accept calmly and courageously what we cannot change at this time.

We pass through this beautiful world but once. Any good we can do, any kindness we can show, any help we can give, do, Lord, help us to do it now, for we shall not pass this way nor live through this day again.

May we, as the representatives of our people, be loyal to You and our citizens. Let us keep our lives committed to the goals we set when we first ran for public office.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Derek Wood, Jaxon Englebrecht, Lauren Spratt, Owen Schellman, Lauren Brooks, Brock Suthoff, Evan Lance McCullough, Sophia Saxton, William Bruner, Jackson Dasher, Cruz Jackson, and Josh Buxton.

JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

THIRTY-NINTH DAY, THURSDAY, MARCH 9, 2017

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

He who gives heed to the word will prosper, and happy is he who trusts in the Lord. (Proverbs 16:20)

O Loving God, once more in this historic and beautiful Chamber we respond to the call to prayer and in the quiet of this moment draw near to You. Make us aware of Your presence as a creative spirit, a sustaining power, a safe refuge, and a strength in the time of stress.

We pray for our Show-Me State that we may be guided and governed by Your spirit of gladness. Grant that all our citizens may be led in the way of truth, along the path of good will, and may their faith in our legislative efforts be blessed with a deep unity of steadfast purpose.

Bless our Governor, our Speaker, the Members of this House of Representatives and all who labor with them. Keep them calm and steady, full of hope in You and in the power of our state to be a leading light and example among all the other states.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the thirty-eighth day was approved as printed.

JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

FORTIETH DAY, MONDAY, MARCH 13, 2017

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Representative Jered Taylor.

Lord, we come before You today and every day to give You praise and thanks for the many blessings in our life. Thank You for giving us the opportunity to serve You and the people of the state of Missouri.

We ask that You give us wisdom. Your word tell us in James 1:5-6, "Now if any of you lacks wisdom, he should ask God, who gives to all generously and without criticizing, and it will be given to him. But let him ask in faith without doubting." Lord, we ask for wisdom to make decisions that are right in Your eyes. We want to be used by You. Let us finish out the first half of session strong and come back renewed in Your strength.

We realize there are still many important issues that we face. Lord, teach us humility and forgiveness. We pray that You mend broken relationships so that we can come together to move this state forward.

Thank You for loving us and sending Your Son to be the sacrifice for our sins. Let us use that as an example of how to love one another and serve You.

In Your name we pray, and the body says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Cliff DeGroot and Steve Webb.

The Journal of the thirty-ninth day was approved as printed.

JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

FORTY-FIRST DAY, TUESDAY, MARCH 14, 2017

The House met pursuant to adjournment.

Speaker Pro Tem Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

O magnify the Lord with me and let us exalt His name together. (Psalm 34:3)

Almighty God, who is the source of all our blessings and the fountain of hope, help us to realize that You are always with us, seeking our good, forgiving our sins, and endeavoring to lead us in the ways of peace. Bless us in our work, guide us through our difficulties, and reward us with joy.

We invoke Your blessing upon us as we work for the benefit of our people and for our State in these cold winter days. Let not our fears triumph over us during this long day of debates and votes.

Sustain with Your power those whom our people have placed in positions of authority and all who are entrusted with our safety and with the guardianship of our rights and our freedom. May peace and gladness live in the hearts of our citizens and may our faith pay tribute to our State in righteousness.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Jack Gilkey, Ellen Plume and Grace Quigley.

The Journal of the fortieth day was approved as printed.

AMEND House Committee Substitute for House Bill No. 452, Pages 1 through 2, Section 538.205, Lines 17 through 22, by deleting all of said lines and inserting in lieu thereof the following:

"(3) **"Employee", any individual who is directly compensated by a health care provider for health care services rendered by such individual.**"; and

Further amend said bill and section, Page 3, Line 56, by inserting after all of said section and line the following:

"538.210. 1. A statutory cause of action for damages against a health care provider for personal injury or death arising out of the rendering of or failure to render health care services is hereby created, replacing any such common law cause of action. The elements of such cause of action are that the health care provider failed to use that degree of skill and learning ordinarily used under the same or similar circumstances by members of the defendant's profession and that such failure directly caused or contributed to cause the plaintiff's injury or death.

2. (1) In any action against a health care provider for damages for personal injury arising out of the rendering of or the failure to render health care services, no plaintiff shall recover more than four hundred thousand dollars for noneconomic damages irrespective of the number of defendants.

(2) Notwithstanding the provisions of subdivision (1) of this subsection, in any action against a health care provider for damages for a catastrophic personal injury arising out of the rendering or failure to render health care services, no plaintiff shall recover more than seven hundred thousand dollars for noneconomic damages irrespective of the number of defendants.

(3) In any action against a health care provider for damages for death arising out of the rendering of or the failure to render health care services, no plaintiff shall recover more than seven hundred thousand dollars for noneconomic damages irrespective of the number of defendants.

3. (1) ~~[Such limitation]~~ **This section** shall also apply to any individual or entity, or their employees or agents, that provide, refer, coordinate, consult upon, or arrange for the delivery of health care services to the plaintiff; and

(2) Who is a defendant in a lawsuit brought against a health care provider under this chapter, or who is a defendant in any lawsuit that arises out of the rendering of or the failure to render health care services.

~~[(3) No individual or entity whose liability is limited by the provisions of this chapter shall be liable to any plaintiff based on the actions or omissions of any other entity or person who is not an employee of such individual or entity whose liability is limited by the provisions of this chapter.]~~

~~Such limitation shall apply to all claims for contribution.]~~

4. No health care provider whose liability is limited by the provisions of this chapter shall be liable to any plaintiff based on the actions or omissions of any other entity or person who is not an employee of such health care provider.

5. This section shall apply to all claims for contribution.

6. In any action against a health care provider for damages for personal injury or death arising out of the rendering of or the failure to render health care services, where the trier of fact is a jury, such jury shall not be instructed by the court with respect to the limitation on an award of noneconomic damages, nor shall counsel for any party or any person providing testimony during such proceeding in any way inform the jury or potential jurors of such limitation.

~~[5-]~~**7.** For purposes of sections 538.205 to 538.230, any spouse claiming damages for loss of consortium of their spouse shall be considered to be the same plaintiff as their spouse.

~~[6-]~~**8.** Any provision of law or court rule to the contrary notwithstanding, an award of punitive damages against a health care provider governed by the provisions of sections 538.205 to 538.230 shall be made only upon a showing by a plaintiff that the health care provider demonstrated willful, wanton or malicious misconduct with respect to his actions which are found to have injured or caused or contributed to cause the damages claimed in the petition.

~~[7-]~~**9.** For purposes of sections 538.205 to 538.230, all individuals and entities asserting a claim for a wrongful death under section 537.080 shall be considered to be one plaintiff.

~~[8-]~~**10.** The limitations on awards for noneconomic damages provided for in this section shall be increased by one and seven-tenths percent on an annual basis effective January first of each year. The current value of the limitation shall be calculated by the director of the department of insurance, financial institutions and professional registration, who shall furnish that value to the secretary of state, who shall publish such value in the Missouri Register on the first business day following January first, but the value shall otherwise be exempt from the provisions of section 536.021.

~~[9-]~~**11.** In any claim for damages under this chapter, and upon post-trial motion following a jury verdict with noneconomic damages exceeding four hundred thousand dollars, the trial court shall determine whether the limitation in subsection 2 of this section shall apply based on the severity of the most severe injuries.

~~[10-]~~**12.** If a court of competent jurisdiction enters a final judgment on the merits that is not subject to appeal and that declares any provision or part of either section 1.010 or this section to be unconstitutional or unenforceable, then section 1.010 and this section, as amended by this act and in their entirety, are invalid and shall have no legal effect as of the date of such judgment, and this act, including its repealing clause, shall likewise be invalid and of no legal effect. In such event, the versions of sections 1.010 and this section that were in effect prior to the enactment of this act shall remain in force."; and

In addition to these paragraphs, the notice shall set forth a list of the types of providers who are generally not employees of the health care provider, including but not limited to physicians. In the event a patient is not communicative and a representative for them is unavailable, the health care provider may satisfy this requirement for such patients by the posting of this notice in a prominent place within the public areas of the health care provider's facility.

Section 2. In addition to other requirements, no health care provider may assert the immunities provided in section 538.210 in the absence of an enforceable contract between the health care provider asserting the immunity and person who is not an employee of such health care provider that includes a provision whereby the health care provider affirmatively disclaims any legal responsibility under the common law doctrine of respondeat superior or any other legal theory for any personal injury or death claim arising out of the person's failure to use that degree of skill and learning ordinarily used under the same or similar circumstances by members of the person's profession."; and

JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

FORTY-SECOND DAY, WEDNESDAY, MARCH 15, 2017

The House met pursuant to adjournment.

Speaker Pro Tem Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Let not your heart be troubled; believe in God. (John 14:1)

O Lord, Our God, who is truth and love and who does give Himself to us to lead in Your way, grant unto us Your spirit that we may give ourselves in service to our fellow citizens on this Ides of March.

May our citizens feel their unity with each other since we are all Your children, and may we learn to work together for the good of Missouri.

Bless those who are in need, all who are oppressed in mind and body, and all who suffer. Particularly do we pray for our elderly. Strengthen them and their families at home; give them patience in suffering and comfort in afflictions. May the day soon come when those families now separated can be home together and enjoy their lives in freedom and peace.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Ava Regagnon and Josie Hayden.

The Journal of the forty-first day was approved as printed.

(e) "Investment funds service corporation" includes any corporation or S corporation doing business in the state which derives more than fifty percent of its gross income in the ordinary course of business from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. An investment funds service corporation shall include any corporation or S corporation providing management services as an investment advisory firm registered under Section 203 of the Investment Advisors Act of 1940, as amended from time to time, regardless of the percentage of gross revenues consisting of fees from management services provided to or on behalf of an investment company;

(f) "Management services" include but are not limited to, the rendering of investment advice directly or indirectly to an investment company making determinations as to when sales and purchases of securities are to be made on behalf of the investment company, or the selling or purchasing of securities constituting assets of an investment company, and related activities, but only where such activity or activities are performed:

a. Pursuant to a contract with the investment company entered into pursuant to 15 U.S.C. Section 80a-15(a), as from time to time amended;

b. For a person that has entered into such contract with the investment company; or

c. For a person that is affiliated with a person that has entered into such contract with an investment company;

(g) "Qualifying sales", gross income derived from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and

participants of employee benefit plans which have accounts in an investment company. For purposes of this section, "gross income" is defined as that amount of income earned from qualifying sources without deduction of expenses related to the generation of such income;

(h) "Residence", presumptively the fund shareholder's mailing address on the records of the investment company. If, however, the investment company or the investment funds service corporation has actual knowledge that the fund shareholder's primary residence or principal place of business is different than the fund shareholder's mailing address such presumption shall not control. To the extent an investment funds service corporation does not have access to the records of the investment company, the investment funds service corporation may employ reasonable methods to determine the investment company fund shareholder's residence.

(5) Notwithstanding other provisions of law to the contrary, qualifying sales of an investment funds service corporation, or S corporation, shall be considered wholly in this state only to the extent that the fund shareholders of the investment companies, to which the investment funds service corporation, or S corporation, provide services, are resided in this state. Wholly in this state qualifying sales of an investment funds service corporation, or S corporation, shall be determined as follows:

(a) By multiplying the investment funds service corporation's total dollar amount of qualifying sales from services provided to each investment company by a fraction, the numerator of which shall be the average of the number of shares owned by the investment company's fund shareholders resided in this state at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year, and the denominator of which shall be the average of the number of shares owned by the investment company's fund shareholders everywhere at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year;

(b) A separate computation shall be made to determine the wholly in this state qualifying sales from each investment company. The qualifying sales for each investment company shall be multiplied by the respective percentage of each fund, as calculated pursuant to paragraph (a) of this subdivision. The product of this equation shall result in the wholly in this state qualifying sales. The qualifying sales for each investment company which are not wholly in this state will be considered wholly without this state;

(c) To the extent an investment funds service corporation has sales which are not qualifying sales, those nonqualified sales shall be apportioned to this state based on the methodology utilized by the investment funds service corporation without regard to this subdivision.

3. Any corporation described in subdivision (1) of subsection 1 of section 143.441 organized in this state or granted a permit to operate in this state for the transportation or care of passengers shall report its gross earnings within the state on intrastate business and shall also report its gross earnings on all interstate business done in this state which report shall be subject to inquiry for the purpose of determining the amount of income to be included in Missouri taxable income. The previous sentence shall not apply to a railroad.

4. A corporation described in subdivision (2) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources in this state and all income from each transportation service wholly within this state, from each service where the only lines of such corporation used are those in this state, and such proportion of revenue from each service where the facilities of such corporation in this state and in another state or states are used, as the mileage used over the lines of such corporation in the state shall bear to the total mileage used over the lines of such corporation. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year of any fixed transportation facilities, real estate and improvements in this state leased from any other railroad shall be divided by the sum of the total amount of investment of such corporation on December thirty-first of each year in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year, of any fixed transportation facilities, real estate and improvements leased from any other railroad. Where any fixed transportation facilities, real estate or improvements are leased by more than one railroad, such portion of the value shall be used by each railroad as the rental paid by each shall bear to the rental paid by all lessees. The income shall be multiplied by the fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

5. A corporation described in subdivision (3) of subsection 1 of section 143.441 shall include in its Missouri taxable income one-half of the net income from the operation of a bridge between this and another state. If any such bridge is owned or operated by a railroad corporation or corporations, or by a corporation owning a

railroad corporation using such bridge, then the figures for operation of such bridge may be included in the return of such railroad or railroads; or if such bridge is owned or operated by any other corporation which may now or hereafter be required to file an income tax return, one-half of the income or loss to such corporation from such bridge may be included in such return by adding or subtracting same to or from another net income or loss shown by the return.

6. A corporation described in subdivision (4) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources within this state. Income shall include revenue from each telephonic or telegraphic service rendered wholly within this state; from each service rendered for which the only facilities of such corporation used are those in this state; and from each service rendered over the facilities of such corporation in this state and in other state or states, such proportion of such revenue as the mileage involved in this state shall bear to the total mileage involved over the lines of said company in all states. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in telephonic or telegraphic facilities, real estate and improvements thereon, shall be divided by the amount of the total investment of such corporation on December thirty-first of each year in telephonic or telegraphic facilities, real estate and improvements. The income of the taxpayer shall be multiplied by fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

7. From the income determined in subsections 2, 3, 4, 5 and 6 of this section to be from all sources within this state shall be deducted such of the deductions for expenses in determining Missouri taxable income as were incurred in this state to produce such income and all losses actually sustained in this state in the business of the corporation.

8. If a corporation derives only part of its income from sources within Missouri, its Missouri taxable income shall only reflect the effect of the following listed deductions to the extent applicable to Missouri. The deductions are: (a) its deduction for federal income taxes pursuant to section 143.171, and (b) the effect on Missouri taxable income of the deduction for net operating loss allowed by Section 172 of the Internal Revenue Code. The extent applicable to Missouri shall be determined by multiplying the amount that would otherwise affect Missouri taxable income by the ratio for the year of the Missouri taxable income of the corporation for the year divided by the Missouri taxable income for the year as though the corporation had derived all of its income from sources within Missouri. For the purpose of the preceding sentence, Missouri taxable income shall not reflect the listed deductions.

9. Any investment funds service corporation organized as a corporation or S corporation which has any shareholders resided in this state shall be subject to Missouri income tax as provided in this chapter.

10. The provisions of this section do not impact any other apportionment election available to a taxpayer under Missouri statutes."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

FORTY-THIRD DAY, THURSDAY, MARCH 16, 2017

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

With Thee is the fountain of life; in Thy light shall we see light. (Psalm 36:9)

O Eternal Spirit whose will for us is peace and whose purposes never fail, we come to You seeking to know Your will and praying for strength to do it as we enter this new day fresh from Your hand after a very long, tense, tough day yesterday.

In the middle of the demanding duties of these busy days may we now discover adequate strength in You and find our souls restored and renewed as we walk in right paths in green valleys.

We pray for our State, as they did one hundred years ago here for the first time, that all pain and misery, all narrow exclusiveness may be swept away by Your Spirit and that honor, justice, and gladness may be established among us. May every person be given the opportunity to live a full, a free, and a fruitful life to the glory of Your name and for the good of all citizens.

Finally, bless us with a restful and comfortable spring break!

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The House paused to honor the one-hundredth anniversary of the inaugural session of the General Assembly in the new state capitol on March 16, 1917.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Alexis Armstrong, Jack Grier, Logan Grier, Drake Murrell, Kendall Bagley, Angela Konopasek, and Grace Drake.

The Journal of the forty-second day was approved as printed by the following vote:

March 16, 2017

Todd Richardson
Speaker of the House
Room 308
201 West Capitol Avenue
Jefferson City, MO 65101

CONSTITUTIONAL OBJECTION - SCS HCS HB 662

SCS HCS HB 662 contains language which appears to violate Missouri's Constitution, Article I, Section 31, rendering the bill, in its entirety, unconstitutional.

/s/ Mike Moon

OBJECTION TO SIGNING AND ENACTMENT OF
SENATE COMMITTEE SUBSTITUTE FOR
HOUSE COMMITTEE SUBSTITUTE FOR
HOUSE BILL 662

WHEREAS, Article I, Section 31 of the Constitution of the State of Missouri provides:

"That no law shall delegate to any commission, bureau, board or other administrative agency authority to make any rule fixing a fine or imprisonment as punishment for its violation;" and

WHEREAS, **Senate Committee Substitute for House Committee Substitute for House Bill No. 662** violates the Missouri Constitution in the following manner:

1. SCS for HCS for HB 662 prohibits any person from knowingly using herbicide which is not labeled for use in a manner in which the person used it, and such use results in the herbicide drifting or coming into contact with another person's field, onto another person's personal property, onto another person's real property, or onto another person, and such use results in damage.
2. SCS for HCS for HB 662 allows the Missouri Department of Agriculture to promulgate rules to implement the provisions of the bill.

4. SCS for HCS for HB 662 empowers the Department of Agriculture with unlimited subpoena power and authorizes the Department to assess a civil penalty of up to \$5,000.00 if a person refuses to comply with the Department's demand for information.

THEREFORE, I conclude that **Senate Committee Substitute for House Committee Substitute for House Bill No. 662** violates the Missouri Constitution and should not be signed by the Officers of the House or Senate, nor should the bill be signed by the Governor.

Respectfully submitted,

JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

FORTY-FIFTH DAY, MONDAY, MARCH 27, 2017

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Representative Paul Fitzwater.

Make Thy Face to shine upon Thy servants; and teach us Thy statutes. (Psalm 119:135)

Eternal Father, whose love never lets us go, whose strength never lets us down, and whose truth never lets us off, in the glory of a new day we lift our hearts to You, seeking guidance as we face the tasks of this spring time.

We quiet our voices in Your presence and rest in the assurance that Your strength makes us strong, Your wisdom makes us wise, and Your love makes us loving.

Grant that in this hour we and our state may be messengers of hope to our people, particularly to those who sit in darkness without hope but with faith in the coming day when common sense shall be the goal of all Missourians.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the forty-third day was approved as printed.

The Journal of the forty-fourth day was approved as printed.

JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

FORTY-SIXTH DAY, TUESDAY, MARCH 28, 2017

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

See that none render evil for evil unto any man; but ever follow that which is good, both among yourselves, and to all. (1 Thessalonians 5:15)

O God of Grace and Glory, in the beginning of this busy time we would find in the living water of prayer the power which can restore our souls, renew our bodies, and make us ready for the tasks of this new day.

We may be disturbed by the pressure of these last seven weeks, weighed down by many worries, tempted to lose hope, and to give up because progress seems so long in coming. We confess that we worry too much when there is so much to be done.

We pray for our constituents and for ourselves, the leaders of our people. May we not increase our divisions by any histrionics but take advantage of every opportunity to spread hope so that our influence shall always be for the betterment of all.

Give us courage to carry on, knowing You are always with us and believing that with You we cannot fail.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Fred Wessels, Violet Wessels, and Karli Reinkemeyer.

The Journal of the forty-fifth day was approved as printed by the following vote:

"290.400. **1.** As used in sections 290.400 to ~~[290.450]~~ **290.440** the following words have the meanings indicated unless the context clearly requires otherwise:

- (1) "Commission", the labor and industrial relations commission of Missouri;
- (2) "Employee", every woman or man in receipt of or entitled to compensation for labor performed for any employer;
- (3) "Employer", every person, firm, corporation, agent, manager, representative, contractor, subcontractor, principal or other person having control or direction of any woman or man employed at any labor, or responsible directly or indirectly for the wages of another;
- (4) ~~["Female", a woman of eighteen years or over;~~
- ~~—(5)] "Wage rates" or "wages", [any compensation for labor measured by time, piece, or otherwise] all compensation in any form that an employer provides to employees in payment for work done or services~~

rendered including, but not limited to, base pay, overtime bonuses, stock options, awards, tips, or various forms of nonmonetary compensation if provided in lieu of or in addition to monetary compensation, provided that such compensation has economic value to an employee.

2. Nothing in sections 290.400 to 290.440 shall prevent an employee from exercising his or her rights under any other provision of law.

290.410. 1. Notwithstanding any other provisions of the law, no employer shall ~~[pay any female in his employ at wage rates less than the wage rates paid to male employees in the same establishment for the same quantity and quality of the same classification of work, provided that nothing herein shall prohibit a variation of rates of pay for male and female employees engaged in the same classification of work based upon a difference in seniority, length of service, ability, skill, difference in duties or services performed, difference in the shift or time of day worked, hours of work, or restrictions or prohibitions on lifting or moving objects in excess of specified weight, or other reasonable differentiation, or factors other than sex, when exercised in good faith]~~ **discriminate in providing compensation based on gender for equal work, the performance of which requires equal skill, effort, and responsibility, and which is performed under similar working conditions.**

2. Notwithstanding the provisions of subsection 1 of this section, it shall not be unlawful for an employer to pay different wage rates to employees if such payments are made pursuant to:

- (1) A bona fide seniority or merit system;
- (2) A system that measures earnings by quantity or quality of production;
- (3) Any bona fide factor other than gender provided that wage differentials based on varying market rates for equal jobs shall not be considered differentials based on bona fide factors other than gender; or
- (4) Bona fide regional economic differentials.

3. An employer who is paying wages in violation of this section shall not, in order to comply with this section, reduce the wage of any employee.

4. No employer may discharge, take any adverse action, or otherwise retaliate in any manner against any individual because such individual has:

- (1) Opposed any act or practice made unlawful by this section; or
- (2) Testified, assisted, or participated in any manner in an investigation, hearing, or other proceeding to enforce this section.

5. No employer may discharge, take any adverse action, or otherwise retaliate in any manner against, coerce, intimidate, threaten, or interfere with any employee because such employee either inquired about, compared, or otherwise discussed the employee's wages or the wages of another employee; or exercised, enjoyed, aided, or encouraged any other person to exercise or enjoy any right granted or protected by this section.

290.440. 1. Any employer who violates section 290.410 is liable to the ~~[female]~~ employee affected in the amount of the wages of which the ~~[female]~~ employee is deprived by reason of the violation **and an additional amount in compensatory damages, such additional amount not to exceed twice the wages awarded.**

2. ~~[Any female employee receiving less than the wage to which she is entitled under sections 290.400 to 290.450 may recover in a civil action the balance of the wages, together with the costs of suit, notwithstanding any agreement to work for a lesser wage.]~~ Any employer who violates subsection 4 or 5 of section 290.410 is liable to any individual affected in the amount of all wages and benefits lost as a result of the violation and, if awarded, an additional amount of compensatory damages in an amount to be determined by a judge or jury trial.

3. ~~[The burden of proof shall be upon the person bringing the claim to establish that the differentiation in rate of pay is based upon the factor of sex and not upon other differences or factors.]~~ In the event of a finding that an employer has violated section 290.410, a court may enjoin such employer from future violations of section 290.410 and may order the employer to take such additional steps as are necessary, including reclassification of affected workers to ensure an end to the employer's gender-based pay practices or, if the employer has engaged in unlawful retaliation prohibited by section 290.410, the court may order such relief as to make the employee whole, including reinstatement.

4. Any employee prevailing in a civil action brought under sections 290.400 to 290.440, in addition to the remedies set forth in this section, may also recover court costs and reasonable attorney's fees, notwithstanding any agreement to work for a lesser wage. Any action brought under sections 290.400 to

290.440 shall be commenced within two years after the alleged violation occurs or the date of the reasonable discovery of such violation.

5. If an employee can show a deliberate pattern of violations of the provisions of sections 290.400 to 290.440, the court may order the employer to pay punitive damages to the employee in addition to any other compensation or injunctive relief ordered."; and

Further amend said bill, Page 23, Section 290.340, Line 7, by inserting immediately after all of said line the following:

~~"[290.450. Any action based upon or arising under sections 290.400 to 290.450 shall be instituted in the circuit court within six months after the date of the alleged violation, but in no event shall any employer be liable for any pay due under sections 290.400 to 290.450 for more than thirty days prior to receipt by the employer of written notice of claim thereof from the female employee.]"; and~~

JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

FORTY-SEVENTH DAY, WEDNESDAY, MARCH 29, 2017

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

The Lord bless thee and keep thee. (Numbers 6:24)

We come to the altar of prayer with grateful hearts as we fondly remember the loving care with which You watched over those that founded and built our Show-Me State. Time and again they found shelter under the shadow of Your protecting love. You made them bearers of Your truth, champions of Your law, and supporters of Your kingdom. Give to us, their children, the courage and the strength to be true to our sacred trust.

In days of hope and in times of worry strengthen our spirits with a deep faith in You who never sleeps. Keep alive with us the great memories of the past, the good experiences of the present, and the grand visions of the future. May we always strive for the best political solutions so that all Your children shall be gathered under the banner of truth and love, and stand united in a common humanity.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Francesca Butner, Tanner Chapman and Noah Chapman.

The Journal of the forty-sixth day was approved as printed.

2. No vehicle operated upon the interstate highway system or upon any route designated by the chief engineer of the state transportation department shall have a height, including load, in excess of fourteen feet. Such safety bumper shall not cause the length of the bus or recreational motor vehicle to exceed the forty-five feet length limit by more than one foot in the front and one foot in the rear.

The term "safety bumper" means any device which may be fitted on an existing bumper or which replaces the bumper and is so constructed, treated, or manufactured that it absorbs energy upon impact.

On those primary highways not designated by the state highways and transportation commission as provided in subsection 10 of this section, no combination of truck-tractor, semitrailer and trailer shall have an overall length, including load, in excess of sixty-five feet; provided, however, the state highways and transportation commission may designate additional routes for such sixty-five foot combinations.

7. Automobile transporters, boat transporters, truck-trailer boat transporter combinations, stinger-steered combination automobile transporters and stinger-steered combination boat transporters having a length not in excess of seventy-five feet may be operated on the interstate highways of this state and such other highways as may be designated by the highways and transportation commission for the operation of such vehicles plus a distance not to exceed ten miles from such interstate or designated highway. All length provisions regarding automobile or boat transporters, truck-trailer boat transporter combinations and stinger-steered combinations shall include a semitrailer length not to exceed fifty-three feet and are exclusive of front and rear overhang, which shall be no greater than a three-foot front overhang and no greater than a four-foot rear overhang.

8. Driveaway saddlemount combinations having a length not in excess of ninety-seven feet may be operated on the interstate highways of this state and such other highways as may be designated by the highways and transportation commission for the operation of such vehicles plus a distance not to exceed ten miles from such interstate or designated highway. Saddlemount combinations must comply with the safety requirements of Section 393.71 of Title 49 of the Code of Federal Regulations and may contain no more than three saddlemounted vehicles and one fullmount.

9. No truck-tractor semitrailer-semitrailer combination vehicles operated upon the interstate and designated primary highway system of this state shall have a semitrailer length in excess of twenty-eight feet or twenty-eight and one-half feet if the semitrailer was in actual and lawful operation in any state on December 1, 1982, operating in a truck-tractor semitrailer-semitrailer combination. The B-train assembly is excluded from the measurement of semitrailer length when used between the first and second semitrailer of a truck-tractor semitrailer-semitrailer combination, except that when there is no semitrailer mounted to the B-train assembly, it shall be included in the length measurement of the semitrailer.

10. The highways and transportation commission is authorized to designate routes on the state highway system other than the interstate system over which those combinations of vehicles of the lengths specified in subsections 5, 6, 7, 8 and 9 of this section may be operated. Combinations of vehicles operated under the provisions of subsections 5, 6, 7, 8 and 9 of this section may be operated at a distance not to exceed ten miles from the interstate system and such routes as designated under the provisions of this subsection.

11. Except as provided in subsections 5, 6, 7, 8, 9 and 10 of this section, no other combination of vehicles operated upon the primary or interstate highways of this state plus a distance of ten miles from a primary or interstate highway shall have an overall length, unladen or with load, in excess of sixty-five feet or in excess of fifty-five feet on any other highway, except the state highways and transportation commission may designate additional routes for use by sixty-five foot combinations, seventy-five foot stinger-steered combinations or seventy-five foot saddlemount combinations. Any vehicle or combination of vehicles transporting automobiles, boats or other motor vehicles may carry a load which extends no more than three feet beyond the front and four feet beyond the rear of the transporting vehicle or combination of vehicles.

12. (1) Except as hereinafter provided, these restrictions shall not apply to agricultural implements operating occasionally on the highways for short distances including tractor parades for fund-raising activities or special events, provided the tractors are driven by licensed drivers during daylight hours only and with the approval of the superintendent of the Missouri state highway patrol; or to self-propelled hay-hauling equipment or to implements of husbandry, or to the movement of farm products as defined in section 400.9-102 or to vehicles temporarily transporting agricultural implements or implements of husbandry or road-making machinery, or road materials or towing for repair purposes vehicles that have become disabled upon the highways; or to implement dealers delivering or moving farm machinery for repairs on any state highway other than the interstate system.

(2) Implements of husbandry and vehicles transporting such machinery or equipment and the movement of farm products as defined in section 400.9-102 may be operated occasionally for short distances on state highways when operated between the hours of sunrise and sunset by a driver licensed as an operator or chauffeur.

(3) Notwithstanding any other provision of law to the contrary, agricultural machinery and implements may be operated for short distances on state highways between the hours of sunset and sunrise for agricultural purposes during harvest and planting seasons provided such vehicles are equipped with lighting meeting the requirements of section 307.115.

13. As used in this chapter the term "implements of husbandry" means all self-propelled machinery operated at speeds of less than thirty miles per hour, specifically designed for, or especially adapted to be capable of, incidental over-the-road and primary offroad usage and used exclusively for the application of commercial plant food materials or agricultural chemicals, and not specifically designed or intended for transportation of such chemicals and materials.

14. Sludge disposal units may be operated on all state highways other than the interstate system. Such units shall not exceed one hundred thirty-eight inches in width and may be equipped with over-width tires. Such

3. There shall be a centralized bureau to be established by supreme court rule in order to accept pleas of not guilty or guilty and payments of fines and court costs for violations of the laws and ordinances described in subsection 1 of this section, made pursuant to a schedule of fines established pursuant to this section. The centralized bureau shall collect, with any plea of guilty and payment of a fine, all court costs which would have been collected by the court of the jurisdiction from which the violation originated.

4. If a person elects not to contest the alleged violation, the person shall send payment in the amount of the fine and any court costs established for the violation to the centralized bureau. Such payment shall be payable to the central violations bureau, shall be made by mail or in any other manner established by the centralized bureau, and shall constitute a plea of guilty, waiver of trial and a conviction for purposes of section 302.302, and for purposes of imposing any collateral consequence of a criminal conviction provided by law. By paying the fine and costs, the person also consents to attendance either online or in person at any driver-improvement program or motorcycle-rider training course ordered by the court and consents to verification of such attendance as directed by the bureau.

The bureau shall send such plea and request for trial to the prosecutor having original jurisdiction over the offense. Any trial shall be conducted at the location designated by the court. The clerk of the court in which the case is to be heard shall notify in writing such person of the date certain for the disposition of such charges. The prosecutor shall not be required to sign any information, ticket or indictment until the commencement of any proceeding by the prosecutor with respect to the notice of violation.

6. ~~[In courts adopting a schedule of fines pursuant to this section,]~~ Any person receiving a notice of violation pursuant to this section shall also receive written notification of the following:

(1) The fine and court costs established pursuant to this section for the violation or information regarding how the person may obtain the amount of the fine and court costs for the violation;

(2) That the person must respond to the notice of violation by paying the prescribed fine and court costs, or pleading not guilty and appearing at trial, and that other legal penalties prescribed by law may attach for failure to appear and dispose of the violation. The supreme court may modify the suggested forms for uniform complaint and summons for use in courts adopting the procedures provided by this section, in order to accommodate such required written notifications.

7. Any moneys received in payment of fines and court costs pursuant to this section shall not be considered to be state funds, but shall be held in trust by the centralized bureau for benefit of those persons or entities entitled to receive such funds pursuant to this subsection. All amounts paid to the centralized bureau shall be maintained by the centralized bureau, invested in the manner required of the state treasurer for state funds by sections 30.240, 30.250, 30.260 and 30.270, and disbursed as provided by the constitution and laws of this state. The state treasurer shall be the custodian of the revolving fund, and shall make disbursements, as allowed by lawful appropriations, only to the judicial branch of state government for goods and services related to the administration of the judicial system.

The centralized bureau shall notify the appropriate prosecutor of any person who fails to either pay the prescribed fine and court costs, or plead not guilty and request a trial within the time allotted by this section, for purposes of application of section 544.665. The centralized bureau shall also notify the department of revenue of any failure to appear subject to section 302.341, and the department shall thereupon suspend the license of the driver in the manner provided by section 302.341, as if notified by the court.

9. In addition to the remedies provided by subsection 8 of this section, the centralized bureau and the courts may use the remedies provided by sections 488.010 to 488.020 for the collection of court costs payable to courts, in order to collect fines and court costs for violations subject to this section."; and

House Amendment No. 1

AMEND House Committee Substitute for House Bill No. 780, Page 1, Section A, Line 2, by inserting immediately after said line the following:

"208.207. 1. Beginning January 1, 2018, individuals of age nineteen to sixty-four who are not otherwise eligible for MO HealthNet services under this chapter, who qualify for MO HealthNet services under section 42 U.S.C. 1396a(a)(10)(A)(i)(VIII) and as set forth in 42 CFR 435.119, and who have income at or below one hundred thirty-three percent of the federal poverty level plus five percent of the applicable family size as determined under 42 U.S.C. 1396a(e)(14) and as set forth in 42 CFR 435.603 shall be eligible for medical assistance under MO HealthNet and shall receive coverage for the health benefits service package.

2. For purposes of this section, "health benefits service package" shall mean, subject to federal approval, benefits covered by the MO HealthNet program as determined by the department of social services to meet the benchmark or benchmark-equivalent coverage requirement under 42 U.S.C. 1396a(k)(1).

3. The reimbursement rate to MO HealthNet providers for MO HealthNet services provided to individuals qualifying under the provisions of this section shall be comparable to commercial reimbursement payment levels with trend adjustment for comparable services. The rates shall be determined annually by the department of social services, and the department may develop such rates through a contracted actuary. The higher commercial comparable rates shall only apply for services provided to individuals qualifying under this section.

4. (1) The department of social services shall discontinue eligibility for persons who are eligible under subsection 1 of this section if:

(a) The federal medical assistance percentage established under 42 U.S.C. Section 1396d(y) or 1396d(z) is less than ninety percent as specified for 2020 and each year thereafter or an amount determined by the MO HealthNet oversight committee to be necessary to maintain state budget solvency, whichever is lower; and

(b) The general assembly votes to discontinue eligibility for persons who are eligible under subsection 1 of this section. Prior to any vote under this paragraph, the MO HealthNet oversight committee and the department of social services shall provide the general assembly with information on the current and projected expenses incurred due to expanding eligibility to persons under subsection 1 of this section in relation to health-related savings and revenues and health outcomes of individuals and families receiving benefits under subsection 1 of this section;

(2) The department of social services shall inform persons eligible under subsection 1 of this section that their benefits may be reduced or eliminated if federal funding decreases or is eliminated.

5. The MO HealthNet oversight committee shall conduct research and investigate any potential health-related savings and revenues associated with expanding eligibility to persons under subsection 1 of this section. The committee shall investigate the federal matching rate below which the state could not maintain the expanded eligibility to persons under subsection 1 of this section. If the amount is determined to be greater than ninety percent, the committee shall report its findings to the general assembly for its consideration prior to any vote under paragraph (b) of subdivision (1) of subsection 4 of this section. In conducting its research and investigation, the committee shall also determine the feasibility of:

(1) Implementing capped cost sharing for persons eligible under subsection 1 of this section, which may be reduced based on healthy behaviors of participants;

(2) Expanding Medicaid coverage for certain health care services that are currently financed by the state; and

(3) Enrolling persons under subsection 1 of this section in private health benefit plans."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

(6) "Serious emotional injury", an injury that creates a substantial risk of temporary or permanent medical or psychological damage, manifested by impairment of a behavioral, cognitive, or physical condition. JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

FORTY-EIGHTH DAY, THURSDAY, MARCH 30, 2017

The House met pursuant to adjournment.

Representative Fitzwater (144) in the Chair.

Prayer by Representative Pat Conway.

Almighty Father, we ask this day that You bestow a special blessing upon all those who have served us in our military. We devoutly pray, in recognition of those who are to be honored this day, on Missouri's Vietnam Veterans Day. May their sacrifices never be forgotten! Let us ask Your blessing on those over 58,000 men and women, over 1,400 from Missouri alone, who gave their lives on behalf of their country. Pray, too, for their families, those parents who lost a child, those brothers and sisters that grew up without their loved ones, and especially for those children whose fathers were not there for their birthdays, graduations and weddings.

For those who are living, who have faced their challenges and their demons, we ask a special prayer. Give them peace in their days and new hope in the years to come.

Let us please remember as legislators, much like lawmakers in those chaotic days of Vietnam, that in each of our decisions we must ask for Your guidance, that even the simplest choice can have unimagined repercussions.

As we and my fellow Vietnam veterans in the Chamber recite in the Pledge of Allegiance, let us all stand a little taller, let us speak a little louder, and may we reflect a little deeper, O Lord, on the multitude of blessings You have bestowed upon our nation.

May today give comfort to all who have served during the Vietnam conflict and bless those who have served the United States and this Great State of Missouri.

And the House says, "Amen!"

The recitation of the Pledge of Allegiance to the flag was led by Representatives Shumake and Wessels.

Speaker Richardson assumed the Chair.

The Journal of the forty-seventh day was approved as printed.

Prayer by Representative Jack Bondon.

Father above, we come before You today giving thanks for the many blessings You have bestowed upon us. We thank You for our loved-ones. We thank You for bringing us here safely. We thank You for the opportunity to serve our friends and neighbors. And we thank You for this beautiful life lived in this exceptional nation and this great state of Missouri.

Lord, please bless all of us gathered here in the people's House and all of those we love who support us every day. We pray that You will grant us wisdom in our decisions and courage to do what is right for all those we serve. Please continue to bless our state and its kind, honest and hard-working people, always remembering that we serve only by their consent. And, help us strive in all we do to give them a government worthy of their trust.

And the House says, "Amen!"

JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

FIFTIETH DAY, TUESDAY, APRIL 4, 2017

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Teach me, O Lord, the way of Thy statutes; and I will keep it unto the end. (Psalm 119:33)

O Powerful God who reveals Yourself to us in endless ways, deepen within us the sense of Your presence as we lift our hearts unto You in this our morning prayer. As our predecessors came to this chamber to be guided by You, so do we bow before You humbly and reverently.

With grateful hearts may we learn to accept Your creative spirit, to live in beautiful harmony with Your laws, and to let love lighten and brighten our lives and that of our citizens.

Turn our strength to the tasks of justice, mercy, and peace that, as we work for common good, we may find joy and satisfaction in useful debates and discussions on our budget.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Isaac Olson.

The Journal of the forty-ninth day was approved as printed.

JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

FIFTY-FIRST DAY, WEDNESDAY, APRIL 5, 2017

The House met pursuant to adjournment.

Speaker Pro Tem Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

God is love and he who abides in love abides in God, and God abides in him. (1 John 4:16)

God our Creator, we the representatives of the people of this state, bow before You seeking strength for this day and guidance for these hours. Make this moment of prayer a moment when we are aware of Your presence, a moment when we hear Your voice calling us to lead our people in the ways of justice, peace and hope.

Give to us a higher faith and a greater courage to seek to lift the lowly, to strengthen the weak, to encourage the discouraged, and to make this state a state in which men and women are concerned about their fellow citizens.

God Bless Missouri, and help us all to live together with respect for each other and with love in our hearts.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Owen Hart, Presten Tyrrell, Camden Tyrrell, Nina Marie Passantino, Coleman Reese, Olivia Johnson, Tyler Racy, Austin Pritchard, Ethan Pritchard, and Braylynn Dunnivant.

The Journal of the fiftieth day was approved as printed.

This exception to geographic proximity shall apply only to independent rural health clinics, provider-based rural health clinics where the provider is a critical access hospital as provided in 42 U.S.C. Section 1395i-4, and provider-based rural health clinics where the main location of the hospital sponsor is greater than fifty miles from the clinic. 6. Within thirty days of any change and on each renewal, the state board of registration for the healing arts shall require every physician to identify whether the physician is engaged in any collaborative practice agreement, including collaborative practice agreements delegating the authority to prescribe controlled substances, or physician assistant agreement and also report to the board the name of each licensed professional with whom the physician has entered into such agreement. The board ~~[may]~~ **shall** make this information available to the public. Nothing in this subsection shall be construed to prohibit or prevent a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016 from entering into a collaborative practice arrangement under this section, except that the collaborative practice arrangement may not delegate the authority to prescribe any controlled substances listed in Schedules III, IV, and V of section 195.017, or Schedule II - hydrocodone.

8. ~~[A collaborating physician shall not enter into a collaborative practice arrangement with more than three full-time equivalent advanced practice registered nurses. 11. ~~No contract or other agreement shall require a physician to act as a collaborating physician for an advanced practice registered nurse against the physician's will. A physician shall have the right to refuse to act as a collaborating physician, without penalty, for a particular advanced practice registered nurse. [No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any advanced practice registered nurse, but this requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by hospital's medical staff.]~~

12. ~~9.~~ No contract or other agreement shall require any advanced practice registered nurse to serve as a collaborating advanced practice registered nurse for any collaborating physician against the advanced practice registered nurse's will. "311.275. 1. For purposes of tax revenue control, beginning January 1, 1980, no holder of a license to solicit orders for the sale of intoxicating liquor, as defined in this chapter, within this state, other than a wholesale-solicitor, shall solicit, accept, or fill any order for any intoxicating liquor from a holder of a wholesaler's license issued under this chapter, unless the holder of such solicitor's license has registered with the division of alcohol and tobacco control as the primary American source of supply for the brand of intoxicating liquor sold or sought to be sold. The supervisor of alcohol and tobacco control shall provide forms for annual registration as the primary American source of supply, and shall prescribe the procedures for such registration.

2. Beginning January 1, 1980, no holder of a wholesaler's license issued under this chapter shall order, purchase or receive any intoxicating liquor from any solicitor, other than a wholesale-solicitor, unless the solicitor has registered with the division of alcohol and tobacco control as the primary American source of supply for the brand of intoxicating liquor ordered, purchased or received.

3. The term "primary American source of supply" as used herein shall mean the distiller, producer, the owner of the commodity at the time it became a marketable product, the bottler, or the exclusive agent of any such distiller, producer, bottler or owner, the basic requirement being that the nonresident seller be the first source closest to the manufacturer in the channel of commerce from whom the product can be secured by American wholesalers.

4. Any vintage wine solicitor licensed under section 311.180 may register as the primary American source of supply for vintage wine with the division of alcohol and tobacco control, provided that another solicitor is not registered as the primary American source of supply for the vintage wine and the vintage wine has been approved for sale by the federal Alcohol and Tobacco Tax and Trade Bureau.

5. The supervisor of alcohol and tobacco control shall approve or deny any application for primary American source of supply for any intoxicating liquor product within five working days following the receipt of a properly completed application. Any such application for an intoxicating liquor product received by the supervisor of alcohol and tobacco control that is not approved or denied within five working days shall be considered conditionally approved and such intoxicating liquor product may be solicited, sold, shipped, ordered, purchased, and received in this state.

311.510. 1. It shall be the duty of the supervisor of liquor control to cause to be inspected all beer, as defined in this chapter, or other intoxicating malt liquors, brewed, manufactured or sold in this state, and he **or she** shall determine whether such beer or other intoxicating malt liquor has been made from pure hops or the pure extract of hops, or of pure barley malt or other wholesome grains or cereals, or wholesome yeast, and pure water, and whether the package containing such beer or intoxicating malt liquor has been correctly labeled to show that the same has been made from wholesome ingredients.

2. Notwithstanding the provisions of subsection 1 of this section, the supervisor of liquor control shall not require product samples and shall not require the testing of product samples to determine alcohol content prior to granting approval for the sale of any such beer or other intoxicating malt liquor product in the state of Missouri if the supervisor of liquor control is provided with a copy of a certificate of label approval issued by the ~~[Federal Bureau of Alcohol, Tobacco and Firearms]~~ **Alcohol and Tobacco Trade Bureau** ~~[which verifies the alcohol content of the product].~~

3. Notwithstanding the provisions of subsection 1 of this section, the supervisor of liquor control shall not require product samples prior to granting approval for the sale of any beer or other intoxicating malt liquors brewed, manufactured, and sold exclusively in this state if the supervisor of liquor control is provided a label. The supervisor of liquor control shall have sole authority to approve all labels for keg collars, bottles, and cans of such beer or other intoxicating malt liquor and any inspections to determine labeling compliance for such products shall be under the sole authority of the supervisor of liquor control, with no approval or inspection by the Alcohol and Tobacco Tax and Trade Bureau required.

311.540. 1. Every person, persons or corporation who shall manufacture or distill spirituous liquors, including brandy, rum, whiskey, and gin, and other spirituous liquors, within this state, and wholesale or retail dealers or any other person who shall import such intoxicating liquors into this state, for the purpose of sale or offering the same for sale in this state, shall, before offering the same for sale, cause the same to be inspected and gauged by the supervisor of liquor control, **or his or her designee**. It shall be the duty of the supervisor of liquor control, **or his or her designee**, to inspect and gauge such character of intoxicating liquor referred to in this section and to ascertain whether the same is correctly labeled.

2. Notwithstanding the provisions of subsection 1 of this section, the supervisor of liquor control shall not require product samples and shall not require the testing of product samples to determine alcohol content prior to granting approval for the sale of any such spirituous liquors product in the state if the supervisor of liquor control, **or**

his or her designee, is provided with a copy of a certificate of label approval issued by the Federal Bureau of Alcohol, Tobacco and Firearms which verifies the alcohol content of the product."; and

Great peace have they who love Thy law; nothing can make them stumble. (Psalm 119:165)

Almighty and Most Merciful God, who grants to Your creation a strengthening spirit, make us strong in You that we may serve our people with great and genuine devotion.

Give us steadfast minds with no room for unworthy thoughts, serene hearts which no trouble can disturb, and strong hands with which to do Your will in lifting up our State to higher patriotic living.

We commend to Your loving care all who are serving our State, that by hard work may they gain for Missouri the fruits of justice, peace and joy.

And the House says, "Amen!"

JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

FIFTY-THIRD DAY, MONDAY, APRIL 10, 2017

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Representative Becky Ruth.

Dear Heavenly Father, as we join together today to do the business of the House, I ask You to guide both our hearts and our minds. Show us Your loving spirit so that we may project that spirit in all we do. Help us to be ever mindful that none of us are here by chance and let humility be bestowed upon us as we work towards the good of this body.

Dear Lord, please keep safe our loved ones who are at home and make it possible for us to be here today. Grant us clarity and peace of mind in all decisions we make and let us be reminded to keep You first in all that we do. We ask this in Your Son Jesus Christ's name.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Madeline Domian and Maria Domian.

JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

FIFTY-FOURTH DAY, TUESDAY, APRIL 11, 2017

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

They that wait upon the Lord shall renew their strength. (Isaiah 40:31)

Almighty God, we thank You for all the blessings You have so abundantly given us. Help us to translate our thanksgiving for Your glory and to live as Your obedient and loving children. May we never forget who You are, who we are, and who our neighbor is.

Grant to the Members of this body the strength and the courage to do what they truly believe to be right and good for our State. Deliver them from pride and prejudice, from intolerance and every evil, and bind them together in a faith which will enable them to labor endlessly for the best interests of our people.

Look with favor upon us, and may the words of our mouths and the meditations of our hearts be acceptable in Your sight.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The child abuse and neglect review board hearing shall be closed to all persons except the parties, their attorneys and those persons providing testimony on behalf of the parties.

6. If the alleged perpetrator is aggrieved by the decision of the child abuse and neglect review board, the alleged perpetrator may seek de novo judicial review in the circuit court in the county in which the alleged perpetrator resides and in circuits with split venue, in the venue in which the alleged perpetrator resides, or in Cole County. (4) Computes average daily attendance as defined in subdivision (2) of section 163.011 as modified by section 171.031. Whenever there has existed within the district an infectious disease, contagion, epidemic, plague or similar condition whereby the school attendance is substantially reduced for an extended period in any school year, the apportionment of school funds and all other distribution of school moneys shall be made on the basis of the school year next preceding the year in which such condition existed.

2. For the 2006-07 school year and thereafter, no school district shall receive more state aid, as calculated under subsections 1 and 2 of section 163.031, for its education program, exclusive of categorical add-ons, than it received per weighted average daily attendance for the school year 2005-06 from the foundation formula, line 14, gifted, remedial reading, exceptional pupil aid, fair share, and free textbook payment amounts, unless it has an operating levy for school purposes, as determined pursuant to section 163.011, of not less than two dollars and seventy-five cents after all adjustments and reductions. Any district which is required, pursuant to Article X, Section 22 of the Missouri Constitution, to reduce its operating levy below the minimum tax rate otherwise required under this subsection shall not be construed to be in violation of this subsection for making such tax rate reduction. Pursuant to Section 10(c) of Article X of the state constitution, a school district may levy the operating levy for school purposes required by this subsection less all adjustments required pursuant to Article X, Section 22 of the Missouri Constitution if such rate does not exceed the highest tax rate in effect subsequent to the 1980 tax year. Nothing in this section shall be construed to mean that a school district is guaranteed to receive an amount not less than the amount the school district received per eligible pupil for the school year 1990-91. The provisions of this subsection shall not apply to any school district located in a county of the second classification which has a nuclear power plant located in such district or to any school district located in a county of the third classification which has an electric power generation unit with a rated generating capacity of more than one hundred fifty megawatts which is owned or operated or both by a rural electric cooperative except that such school districts may levy for current school purposes and capital projects an operating levy not to exceed two dollars and seventy-five cents less all adjustments required pursuant to Article X, Section 22 of the Missouri Constitution.

3. No school district shall receive more state aid, as calculated in section 163.031, for its education program, exclusive of categorical add-ons, than it received per eligible pupil for the school year 1993-94, if the state board of education determines that the district was not in compliance in the preceding school year with the requirements of section 163.172, until such time as the board determines that the district is again in compliance with the requirements of section 163.172.

4. No school district shall receive state aid, pursuant to section 163.031, if such district was not in compliance, during the preceding school year, with the requirement, established pursuant to section 160.530 to allocate revenue to the professional development committee of the district.

5. No school district shall receive more state aid, as calculated in subsections 1 and 2 of section 163.031, for its education program, exclusive of categorical add-ons, than it received per weighted average daily attendance for the school year 2005-06 from the foundation formula, line 14, gifted, remedial reading, exceptional pupil aid, fair share, and free textbook payment amounts, if the district did not comply in the preceding school year with the requirements of subsection 5 of section 163.031.

6. Any school district that levies an operating levy for school purposes that is less than the performance levy, as such term is defined in section 163.011, shall provide written notice to the department of elementary and secondary education asserting that the district is providing an adequate education to the students of such district. If a school district asserts that it is not providing an adequate education to its students, such inadequacy shall be deemed to be a result of insufficient local effort. The provisions of this subsection shall not apply to any special district established under sections 162.815 to 162.940.

163.073. 1. When an education program, as approved under section 219.056, is provided for pupils by the division of youth services in one of the facilities operated by the division for children who have been assigned there by the courts, the division of youth services shall be entitled to state aid for pupils being educated by the division of youth services in an amount to be determined as follows: the total amount apportioned to the division of youth services shall be an amount equal to the average per weighted average daily attendance amount apportioned for the preceding school year under section 163.031, multiplied by the number of full-time equivalent students served by facilities operated by the division of youth services. The number of full-time equivalent students shall be determined by dividing by one hundred seventy-four days the number of student-days of education service provided by the division of youth services to elementary and secondary students who have been assigned to the division by the courts and who have been determined as inappropriate for attendance in a local public school. A student day shall mean one day of education services provided for one student. **In school year 2018-19 and subsequent years, the number of full-time equivalent students shall be the quotient of the number of student-hours of education service provided by the division of youth services to elementary and secondary students who have been assigned to the division by the courts, and who have been determined as inappropriate for attendance in a local public school, divided by one thousand forty-four hours. A student hour shall mean one hour of education services provided for one student.** In addition, other provisions of law notwithstanding, the division of youth services shall be entitled to funds under section 163.087. The number of full-time equivalent students as defined in this section shall be considered as "September membership" and as "average daily attendance" for the apportioning of funds under section 163.087.

2. The educational program approved under section 219.056 as provided for pupils by the division of youth services shall qualify for funding for those services provided to handicapped or severely handicapped children. The department of elementary and secondary education shall cooperate with the division of youth services in arriving at an equitable funding for the services provided to handicapped children in the facilities operated by the division of youth services.

3. Each local school district or special school district constituting the domicile of a child placed in programs or facilities operated by the division of youth services or residing in another district pursuant to assignment by the division of youth services shall pay toward the per pupil cost of educational services provided by the serving district or agency an amount equal to the average sum produced per child by the local tax effort of that district. A special school district shall pay the average sum produced per child by the local tax efforts of the component districts. This amount paid by the local school district or the special school district shall be on the basis of full-time equivalence as determined in section 163.011, not to exceed the actual per pupil local tax effort."; and

Further amend said bill, Section 167.890, Page 22, Line 15, by inserting immediately after said section and line the following:

"171.031. 1. Each school board shall prepare annually a calendar for the school term, specifying the opening date, **days of planned attendance**, and providing a minimum term of at least one hundred seventy-four days for schools with a five-day school week or one hundred forty-two days for schools with a four-day school week, and one thousand forty-four hours of actual pupil attendance. **In school year 2018-19 and subsequent years, one thousand forty-four hours of actual pupil attendance shall be required for the school term with no minimum number of school days.** In addition, such calendar shall include six make-up days for possible loss of attendance due to inclement weather as defined in subsection 1 of section 171.033. **In school year 2018-19 and subsequent years, such calendar shall include thirty-six make-up hours for possible loss of attendance due to inclement weather, as defined in subsection 1 of section 171.033, with no minimum number of make-up days.**

If all of the previous conditions are met, the district may set its opening date more than ten calendar days prior to the first Monday in September. The condition provided in this subsection must be satisfied by the local school board each year that the board proposes an opening date more than ten days before the first Monday in September.

4. If any local district violates the provisions of this section, the department of elementary and secondary education shall withhold an amount equal to one quarter of the state funding the district generated under section 163.031 for each date the district was in violation of this section.

5. The provisions of subsections 2 to 4 of this section shall not apply to school districts in which school is in session for twelve months of each calendar year.

6. JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

FIFTY-FIFTH DAY, WEDNESDAY, APRIL 12, 2017

The House met pursuant to adjournment.

Speaker Pro Tem Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

God loveth righteousness and justice; the earth is full of the goodness of the Lord. (Psalm 33:5)

O Living God, who rules the world with justice and whose judgments are true and righteous, grant that these Representatives of our people may be of one mind and one heart as they seek to provide progress, to produce hope, to protect freedom, and to promote the welfare of all the citizens of our beloved State.

Provide them with Your spirit that with clear understanding, pure motives, and creative principles they may rise above all self-seeking and through self-discipline be primarily concerned about the good of our Show-Me State every day.

May God give strength to His people and bless them with peace of mind, purity of heart, and power of spirit to work together for the good of all our youth, our elderly and our poor.

JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

FIFTY-SIXTH DAY, THURSDAY, APRIL 13, 2017

The House met pursuant to adjournment.

Speaker Pro Tem Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

O give thanks unto the Lord; for He is good; for His mercy endureth forever. (Psalm 106:1)

With grateful hearts, O God, we acknowledge that You are the creator of the world, the sustainer of life, and the rock upon which we can securely build. We thank You for Your constant care and Your abounding blessings which are ours day by day. Truly Your mercies are everlasting, Your faithfulness endures through all generations, and Your love abides forever. Therefore, we put all our trust in You.

Bless our State with Your guiding spirit and by Your grace enable us to walk in the way of Your ten commandments. May we as free people always be the champions of peace and justice. Strengthen the ties of fellowship within our districts that we may live together with understanding, respect, and good will, and give to every person the opportunity to live a full and free life. May Your love bless every heart, every home and every office.

May our Easter Break renew our spirits and our families.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the fifty-fifth day was approved as printed.

JOURNAL OF THE HOUSE

First Regular Session, 99th GENERAL ASSEMBLY

FIFTY-SEVENTH DAY, TUESDAY, APRIL 18, 2017

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Representative Kirk Mathews.

Oh great God, creator of heaven and earth, whose love for Your children knows no bounds, let us now, in Your holy presence inquire into the secrets of our own hearts. God I pray that each of us would seek the truth and ask ourselves these questions:

Lord, have I done anything today to fulfill the purpose for which You created me? Have I been scrupulously honorable in all my business dealings? Have I tried to see myself as others see me? Lord, have I, while professing noble sentiments for great causes, failed even in common charity and courtesy toward those nearest to me? Give me grace to answer honestly O God and forgive me in my many failings.

Lord, we ask Your blessings on our work today for Your glory and for the good of Your people.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Parker Mendel.

The Journal of the fifty-sixth day was approved as printed by the following vote:
